

Application:	Pleasure
Vessel Construction:	Fibre-glass and Plywood
Vessel Name:	Salted
Vessel Owner:	Peter Lory
Length (LWL / LOA):	11 metres
Weight:	4tonne
Engine Model:	Yanmar 4LHA-STP
Engine Power Rating:	240HP @ 3300 RPM
Drive Configuration:	KMH50A
Gear Ratio and Model:	Kanzaki KMH50A 2.13
Control Type:	Single Station Control
Cruise Speed:	15 Knots @ 2600RPM
Top Speed:	21 Knots @ 3300RPM
Propeller Size:	20 x 21 4 Blade Briski Propeller
Technician Name:	Anthony Duff
Date of Operational Check:	14 March 2021
Sold by:	Power Equipment Ltd
New Installation Completed by:	Customer Installed

Comments:

This is a new custom-built vessel which was designed & built by Peter Lory. After researching engine options Peter decided on the Yanmar 4LHA-STP engine with Kanzaki KMH50-A down angle gearbox. Peter installed the engine and drive train along with all other systems himself and has done so with great attention to detail, resulting in a very impressive engine room. Peter was impressed with the engine's performance during the sea trial and he looks forward to using this vessel for pleasure craft application.
